## El Mirage Fire Department Receives Large Toy Donation

*Donation made by Envision*

[El Mirage, AZ December 22, 2017] On December 22, 2017, the El Mirage Fire Department in partnership with the El Mirage Firefighters Charities received a large donation of over \$3,000 worth of toys for its Toys for Kids program. This annual program supports local children that are less fortunate during the holiday season. With this contribution the City was able to fulfill toy requests for nearly 400 children this year.

Thank you Darryl Johnson of Envision Security Inc. for this very generous donation!
